

# At home...

How will you be a better steward of God's world this week?  
Think about how to keep the pledges you made

Grow some seeds and thank God for all his goodness to us

Make a prayer tree from a fallen branch or some twigs.

Put them in a vase or plant pot.  
Write your prayers on leaf shaped cards and tie them on the tree

What talents has God given you that you could share with others?

Remember what we explored together ...

God created a beautiful world for us to enjoy and made us His stewards

God provided enough for everyone

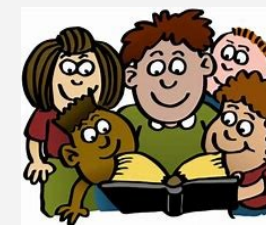

If we share what we have, God uses it for good

How can we do a better job of looking after God's world?
