

MAKE YOUR OWN PRAYER NET

You will need:

Some strawberry netting
2 pencils or bits of dowelling
Scraps of ribbon and/or wool
superglue

What to do:

Cut a piece of netting wide enough to fit the length of a pencil or dowelling. Glue a pencil to the top and bottom.

Tie one piece of ribbon or wool onto the netting to represent each thing you are grateful to God for.

Try hanging your netting up – perhaps in a window - to remind you of God's goodness.
