

YMCA DOWNSLINK CHALLENGE

step out to end youth homelessness

INTRODUCING THE YMCA DOWNSLINK CHALLENGE!

Linking Sussex to Surrey, the Downs Link pathway is how our YMCA got its name!

Every night we provide a safe home to over 750 vulnerable young people, but more than this, we support them to develop the skills they need to create a brighter, independent, future.

Take on the **16-mile YMCA DownsLink Challenge** from Horsham to Shoreham-by-Sea (or in your own space) and help us put young people experiencing homelessness back on the path to independence.

Our event will operate in line with Covid-19 safety guidelines at the time. As such, we are asking for groups of 6 people maximum – the perfect opportunity to get friends, family and teams together!
